

Leadership of Change:

1. Staff will work together to assess how we teach literacy, with a focus on reading. We will then create a new and improved framework for teaching Literacy at Colinton.
2. Pupils will learn how to lead their own learning, knowing where they are in their learning, where they're going and how to get there.

Raising attainment & achievement

1. Staff will ensure all pupils are fully engaged in their learning and participate in decision making about their learning too.
2. Staff commit to leadership of change, ensuring that practices evolve and consistently improve as we strive to get it right for all children.
